### 2010-2011 Executive Board Officers Needed

We are in the process of finding next year's Executive Officer members. The positions open for Fall 2010 are: Vice President of Fundraising, Vice President of Membership, and Secretary.

The major responsibility of the **Vice President of Fundraising** is leading the PTSA in raising the amount of money needed to support the programs of the PTSA to allow for the programs that enrich our school. The normal PTSA membership dues of \$12 are insufficient to cover the expenses of the many fine programs our PTSA sponsors and supports to make Glenridge the best school that it can be. The more money that is raised, the more we as the PTSA can do to improve every child's educational experience. Time commitment varies depending on the season, but usually heavier in September, October and then again in the spring. Chair attends monthly board meetings.

The **Vice President of Membership** is a very important committee – without members we have no PTSA! This position assists with using WSPTA resources to develop a membership drive/campaign, distributing materials, collecting membership forms and inputting registration information to the WSPTA membership website. Chair attends monthly board meetings. Time commitment for committee members varies. Begins in summer and runs through the school year.

The **Secretary** is responsible for keeping accurate up-to-date minutes of the PTA and Executive Board meetings. The Secretary must attend every PTSA meeting.

If you are interested in learning more about these Executive Officer positions please contact Stacie Masterson at (253) 639-8538 or [masterson8538@msn.com](mailto:masterson8538@msn.com).
